Travel insurance is strongly advised to cover loss of it and cancellation fees, baggage and medical fees. Travel insurance will also cover monetary loss in unexpected trip interruption beyond your control. In travel companies make travel insurance story

Company or principals have the right to cancel or vary itinerary without notice as may be found necessary to decide the suitability or otherwise of climatic conditions, sea or other conditions for the normal performance of the tour. Any additional personal expenses incurred as a result of delay including delay from principal breakdown will be the responsibility of the traveler. Refunds are not available for transport, accommodations, or any other services not utilized. This is why travel insurance is beneficial.

Not included in tour price: excess baggage; optional spending money; travel insurance; airport future taxes; passport and inoculation costs; meals other than those specified.
